EXPERIENCE

Freelance Video Editor | July 2023 - Present

- Edits branded, corporate, creative and editorial content for clients including [HTC VIVE Arts](#), [Gray Area](#) and Parold Entertainment.
- Executes all phases of content including post-production, color grading, sound editing, audio mixing and video optimization.
- Manages projects independently while maintaining communication with management about creative direction.
- Edits long and short form videos on strict deadlines.
- I love collaborating with other artists and editors.

Event Staff

Gray Area Performance Space and Gallery, SF, CA | Sept 2024 - Present

- Edits short form and long form content.
- Functions as a video and lighting technician for events and front of house visitor experience assistant.
- Collaborates with artists and interacts with art enthusiasts.
- Assists with all event production needs.

Film Studio Technician

California College of the Arts, SF, CA | Jan 2023 - May 2024

- Organized equipment and assisted in maintenance of the production stage and editing suites.
- Checked out film equipment to students and faculty.
- Experience handling a wide variety of video and sound equipment.
- Maintained equipment and kept inventory.
